### Creating an Account in SendGrid

The screenshot shows a web browser window with multiple tabs. The active tab is 'SendGrid' and the address bar shows 'app.sendgrid.com/guide?from=profile&integrate=true'. The page content is a welcome message to 'Marvan' with instructions to follow steps to get up and running. A blue banner reads 'Send your first emails with Twilio SendGrid'. Below this, a section titled 'Create a sender identity' explains that a sender identity is the 'from' email address. It offers two options: 'Create a Single Sender' (highlighted in blue) and 'Authenticate a domain instead'. A diagram illustrates the sender identity as 'Your Business <jane.doe@your\_business.com> to me'. At the bottom, a section titled 'Send your first email' includes a lock icon and the text 'Please create a sender identity before sending your first email.' The left sidebar contains navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS (marked as NEW). The bottom status bar shows a temperature of 26°C, the word 'Smoke', and system icons for Windows, search, and various applications, along with the date and time '11-11-2022 14:27'.
